Joint Secretary to the Finance Committee. His hands therefore are fully full and it does not seem desirable to saddle the work also on him. If his Shamanna cannot be entrusted to do this work it would be better perhaps for the Comptroller himself to do the work. Otherwise as proposed his Sahayaka will have to be entrusted with the additional work.

SIR,

With reference to para IV of Government Order No.Fl.3746/G.F. 54-13-2 dated 16th February 1914 allowing the Deputy Comptroller to be entrusted with the work of holding the custody of the valuables in the State Huzur Treasury safe and of inspecting the cash balance of the State Huzur Treasury but expressing that it is inexpedient to entrust him with other work of the Civil Branch in view of the heavy work in the Public Works and Railway Branches, I have the honor to state that I may be allowed to delegate to Mr. Satyaraj Chetty Senior Assistant Comptroller, Civil Branch, the work of signing cheques and requisitions on the State Bankers.

I have already expressed to Government in my No.7277/R.422 dated 1st June 1911 that this work though purely mechanical in character involves a great expenditure of time which could be utilized by me for more important work and Government accepting this view allowed Mr. M. N. Krishna Rao to be entrusted with the work Vide Government Order No.Fl.132/G.F.91-10 dated 11th July 1911 and since that date it is being done by Mr. M. N. Krishna Rao and during his absence at Simla and Calcutta by Mr. Satyaraja Chetty as permitted by the then Dewan

in reply to my D.O. dated 21st May 1912. As this work is being done since July 1911 by one of my Assistants without any harm resulting thereform, I request that Government may be pleased to accord early sanction to the proposal made by me.

I may state that before a payment order on the State Bankers comes up for signature, it will have passed through the hands of two officers of my office those in charge of the audit section which passes the payment and Resource Section which arranges for it and there is therefore no danger to be apprehended by such a delegation.

I have the honor to be,

Sir,

Your most obedient servant,
